Standard Notes: (A) Represents zero. (D) Withheld to avoid disclosing figures for individual companies. (NA) Not available. (X) Not applicable.

n.e.c. Not elsewhere classified.

In computing these ratios contract or subcontract employment serving the establishment is excluded. The cost of contract or subcontract work expressed as a percent of payroll for 1963 was: for Metal Mining Services, 3 percent; for Mercury Ores, 13 percent; for Titanium Ores, 23 percent; for Uranium-Radium-Vanadium Ores, 24 percent; and for Metallic Ores, N.E.C., 0.4 percent.

Represents establishments with no employees or with negative value added in mining and, for number of employees, figures for separately reported central offices and related facilities.
